A MAN'S DREAM

By Tammy Reese

Much time has passed since we began
And strong has grown our nation,
But let's look back and view the man
Who helped build this foundation.

It was not easy as you know,
And many times it seemed
Another day he could not go,
But this man had a dream.

A wish, a hope, an urgent prayer
That he could take a stand,
And know that God was with him there
To lead and guide his hand.

Much of his time he had to pray
For this dream to fulfill,
But God walked with him day by day
And showed him His true will.

And now we see, in our own day
That through this man's consecration
He's helped us go in God's right way,
And exemplified the miracle of salvation.

We now pay tribute to the man
Whom God used as His tool.
The man — Reverand Robert Lands.
The dream — Wesleyan Christian Schools.

Scripture: Ecclesiastes 12:1

WHO is our Creator? Did we come from monkeys, like the evolutionists say we did? No, we didn't! We came from God!

This is the God that hung the moon and stars in space, made the earth, scooped out the oceans and formed the mountains.

This same God rolled back the Red Sea, brought victory to Elijah when he said it should not rain for three years, except at his word.

This Creator is the God of heaven and earth, of Abraham, Isaac and Jacob.

This God took on Himself the form of humanity and walked the dusty trails of earth.

This is the God that saved my soul and forgave my sins!

WHEN should you remember your Creator?

You should remember Him now, in the days of your youth. It is easier to get saved while you are young than when you are old. You may go out into deep sin and have to reap what you have sown. I know two friends of our family who went into deep sin when they were young. They smoked and drank. Now, they are saved and are preachers today, but they are sick most of the time because of the lives they lived.

Romans 6:23, "For the wages of sin is death but the gift of God is eternal life through Jesus Christ, our Lord."

Hudson Taylor remembered his Creator in the days of his youth. He was saved, studied medicine, went to China and started the China Inland Mission. He won thousands to Christ, because he remembered his Creator in the days of his youth.

You should remember your Creator now because the coming of the Lord is near and because death is SURE. You can die at any age, young or old. If you do not believe me, go out to the graveyard and read the tombstones and you'll find out mighty quick what I'm talking about!

HOW should you remember your Creator?

You should remember Him by getting saved. John 3:16; I John 1:9. If we confess, He will forgive.

There are other ways to remember your Creator. In Ecclesiastes 12:13 we read, "Fear God and keep his commandments, for this is the whole duty of man." We should remember our Creator by fearing God and by keeping His commandments (obeying God's law) ...

You should remember your Creator by serving Him. It is easier to get saved while you are young because you will not have formed the habits of sin which will be hard to break. Give your life to the Lord.

This message is especially for the young people to remind them to remember their Creator in the days of their youth.
